Commodore's Message

Hello to all!

No doubt many of you are starting the sad task of winterizing our vessels. While I have yet to do so -still hoping for a final trip-I know the inevitable task must be done soon.

Carol and I spent 78 fun filled days on Miss Tee 11 this past season. Describing to non-boaters how one can do so in a space of less than 300 square feet is comical. Unless you experience it, the concept is often deemed to be unbelievable.

How I pity the uninformed!

We will be hosting Kevin Bates from Ocean Pacific at our upcoming meeting. If you are thinking of upgrading your electronics, VHF radios etc. you will want to attend. Also there will be a discussion as to where our club is going. Will we survive in current format? If we change, how do we do so?

See you on the 17th.

Larry Seeley, Commodore, C.R.Y.C.

"Miss Tee II"

Marine Parks Forever –

The Campbell River Yacht Club donates each year to the B. C. Marine Parks Forever Society. Our membership donates \$10.00 each to Marine Parks Forever, as a surcharge on the Annual Dues. CRYC issues tax refundable receipts for these individual donations. For the 2017 year, a total of \$323.00 (net) was raised to support the B. C. Marine Parks Forever Society. Thanks to your generosity we can continue to support this worthwhile BC charity. For more info, see <http://www.marineparksforever.ca/>

To all members of the Council of BC Yacht Clubs

The Waggoner now has, on its website, an excellent article promoting the BC Marine Parks Forever Society. Society President, George Creek, has asked me to circulate the link to all Council members. (apologies for the weird formatting - it may be because of the very long url)

Editor's Notes

Once again we are all closing out another boating season. I hope many of you have already attended to your end-of-season vessel maintenance, as I hope to do as soon as I return home.

I look forward to next year's cruising season and Dave Dakin has kindly provided the latest information on the Marine Parks Forever Stern Tie Program in numerous anchorages within our general cruising area. Here is the website info:

Reciprocal Moorage: More Benefits For CRYC Members!

In addition to local business discounts, the attractiveness of CRYC membership is augmented by the use of reciprocal moorage at many other participating Yacht Clubs, most of which are located at various points south of Campbell River. These include major population centers such as Nanaimo, Vancouver and Victoria. For members cruising south, this reciprocal moorage at other Yacht Clubs at much discounted rates represents a real benefit of membership. For additional information on the Reciprocal Program, please visit our website at <http://www.cryc.ca>
