## **Commodore's Message**

I trust that everyone had a great summer season of boating, I know that Carol and I spent many a blissful day (and night) on the boat. As the season draws to a close, many of us will be planning on the winter lay-up. But we Campbell Riverites are lucky to be in an area of the globe where severe weather, while at times impeding our ability to travel, does not present life-threatening situations, providing one monitors conditions, takes the necessary precautions and heeds the weather predictions. That said, there is still many opportunities to enjoy our coastline and waters in the weeks ahead. And for those brave souls who venture out in the autumn season and winter months to experience the never-ending kaleidoscope of the marine environment, Kudos to you!!

Larry Seeley, Commodore, C.R.Y.C.

# **For Your Calendar**

**Wednesday September 19: Club Social at Fish and Wildlife Clubhouse. Bring a dish to share as well as your main course (for yourself) and your beverage of choice. Drinks at 18:00 hours followed by social. Come out and exchange stories of the summer boating season.**

**Wednesday October 17: Regular monthly meeting which will feature a speaker informing us of all new and upcoming electronics, radios, AIS systems etc. for your vessel.**

## Announcements

We Support BC Marine Parks Forever <http://www.marineparksforever.ca/>

### Marine Parks Forever –

The Campbell River Yacht Club donates each year to the B. C. Marine Parks Forever Society. Our membership donates \$10.00 each to Marine Parks Forever, as a surcharge on the Annual Dues. CRYC issues tax refundable receipts for these individual donations. For the 2017 year, a total of \$323.00 (net) was raised to support the B. C. Marine Parks Forever Society. Thanks to your generosity we can continue to support this worthwhile BC charity. For more info, see <http://www.marineparksforever.ca/>

## **To all members of the Council of BC Yacht Clubs**

The Waggoner now has, on its website, an excellent article promoting the BC Marine Parks Forever Society. Society President, George Creek, has asked me to circulate the link to all Council members. (apologies for the weird formatting - it may be because of the very long url)

## *Editor's Notes*

I hope that all members had a memorable and happy summer boating season! I believe that the weather co-operated beautifully, although smoke at times was a real problem and nuisance as interior British Columbia suffered one the of the worst fire seasons on record. My summer sailing season was severely curtailed as I was (and still am as I write this) coerced into a summer exploration drill program around the Crowsnest Pass. I was able to have a week off in late July at which time I enjoyed a couple of days on the boat with the grandkids in attendance. Plus I enjoyed another couple of days on the water fishing. From my limited time at Campbell River, I think that the fishing season was another good one, by all accounts. I hope to resume my water-based activities very soon, and while the Blairmore - Crowsnest Pass area is indeed very scenic, there is nowhere to shake out the canvas and let the wind carry one away.

### *Reciprocal Moorage: More Benefits For CRYC Members!*

*In addition to local business discounts, the attractiveness of CRYC membership is augmented by the use of reciprocal moorage at many other participating Yacht Clubs, most of which are located at various points south of Campbell River. These include major population centers such as Nanaimo, Vancouver and Victoria. For members cruising south, this reciprocal moorage at other Yacht Clubs at much discounted rates represents a real benefit of membership. For additional information on the Reciprocal Program, please visit our website at <http://www.cryc.ca>*

## **CLUB EVENTS**

**Two extended cruises were undertaken by CRYC club members this summer. The first was a trip to Princess Louisa Inlet. The second was a trip to the Gulf Islands.**

**Plate 1. Chatterbox Falls at the head of Princess Louisa Inlet (Courtesy, Marg Swain, “Halfway Too”)**

**White Tara & Halfway Too went to Chatterbox Falls late spring 2018. The weather was damp and cool with the falls loud and cold. Transiting Malibu Rapids for a first timer is interesting, lots of boats wanting to go – some pushing their luck by going early – they had bigger motors...**

**Plate 2. A peaceful evening at Roche Harbour (Courtesy Marg Swain, “Halfway Too”)**

**Roche Harbor, San Juan Island. White Tara & Halfway Too traveled as far south as Friday Harbor. We took advantage of a number of reciprocals, enough to say membership paid for. Some notables from the trip: US customs and a busy Friday Harbor, some really good docks and some not (Friday Hbr & Canada Customs - South Pender). Met good people at the reciprocals; it was fun to talk about their travels. Lastly, great traveling mates who kept the itinerary open.**

## Elected officers and key volunteers

*Please notify Larry Seeley if you have a change of address, e-mail or telephone so the club can keep our Membership List up to date.*
